The screenshot shows a web browser window with the address bar displaying '127.0.0.1:8000/inputproduct'. The page has a navigation bar with links: Home, Product, Order, and History. The main heading is 'Input Product'. Below it, there are four form fields: 'Product Name', 'Price' (with a '\$ USD' dropdown), 'Description', and 'Stock'. At the bottom, there is an 'image file input' section with a 'Choose File' button and a 'No file chosen' message, followed by a blue 'Submit' button. The browser's taskbar at the bottom shows various application icons and the system clock indicating 23:48 on 06/12/2020.
